### **APD Detectives make arrest in Burglary of Business, one suspect still at large**

On Friday, May 29, 2009 at 3:03 a.m. APD Southeast Area Command Patrol Officers were dispatched to a Burglary of a Business call in the 6500 Block of IH 35. It was reported that three black males had broken in to the Radio Shack.

The suspects backed a maroon Toyota SUV up to the front door of the business and pried the door open. They were seen a short time later putting bags of items in the back of the SUV. They left through the parking lot's southern exit.

As they were exiting the parking lot officers spotted them and a pursuit ensued. The pursuit traveled westbound on East William Cannon, North on North Bluff and ended in the Masonic Lodge's parking lot where all three suspects jumped out and fled on foot.

The driver of the SUV, Adrian Winfree (06-16-79) was taken into custody by a Travis County Deputy Constable who was working overtime at the Capital Chevrolet. APD Officers then arrested the second suspect, Randy Norman (09-23-78). A perimeter was set and k-9 searched the area but the 3<sup>rd</sup> suspect was not located.

Both suspects, Winfree and Norman, are Houston residents. Within the SUV, were pry bars, bolt cutters, and a sledge hammer. The suspects only took GPS units, which were returned to Radio Shack.
